

DR. SIMON LAMBERT

Current Address

6 Messines St.
Leeston 7632
Mob: (+64) 022 061 3583
New Zealand

Brief Biography

Age: 49
Marital Status: Married (three children)
Ethnicity: NZ Māori (Ngāti Ruapani ki
Waikaremoana/Tūhoe)

Skills and Networks

- Wide-ranging research experience in Māori environmental management, planning and development, including socio-cultural resilience and disaster risk reduction.
- Diverse publication portfolio.
- Extensive presentation experience to a variety of audiences, including internationally.
- Strong personal and professional links with Māori and other colleagues across Aotearoa/New Zealand and overseas.
- Participation in national and international networks of Māori and Indigenous academic and community development, including mentoring Māori postgraduates.
- Success in funding applications including pan-Māori, transdisciplinary, multi-institutional collaboration.

Education

- 2013 Professional Development in Advanced GIS
- 2011 MANU Ao Academy Leadership Course
- 2008 PhD, Lincoln University (Economic Geography). Thesis Title: The Expansion of Sustainability through New Economic Space: Māori Potatoes and Cultural Resilience
- 2007 Te Tipu Pūtaiao/FRST Fellowship (Manaaki Whenua/Otago University)
- 2001 MA (First Class Hons.), University of Canterbury. Thesis Title: The Assessment of Pacific Island Environmental Vulnerability.
- 2000 BA (Geography), University of Canterbury
- 1994 Certificate of Attainment in Te Reo/Māori Language, Christchurch Polytechnic.

Funding

Ngā Pae o Te Māramatanga (13RF14 Extension): 'Optimising the 'Māori' in Māori Economic Development: How Māori values inform investment decisions for collective assets' (\$18,000). Co-investigator.

Maori Disaster & Emergency Management Vision Mātauranga Connect Scheme (PROP-38801-VMCF-LIN), 2015-16 \$100,000. Programme manager.

Developing an International Network on Indigenous Knowledge, Risk Interpretation and Action: Integrating indigenous knowledge into decision and policy-making for disaster risk reduction (\$US 15,000). Co-investigator.

Ngā Pae o Te Māramatanga (13RF14): 'Optimising the 'Māori' in Māori Economic Development: How Māori values inform investment decisions for collective assets' (\$308,905). Co-investigator.

Ngā Pae o Te Māramatanga (11RFC34): 'Networks of Support for Maori Mental Health: The response and recovery of Tangata Whaiora through the Otautahi Earthquakes'. (\$197,794). Primary investigator.

Te Puni Kokiri/Ministry of Maori Development, 2011-12: Māori through the Otautahi earthquakes: social, economic, and cultural resilience (\$50,000). Primary investigator.

Ngā Pae o te Māramatanga Summer Internship (to support LURF), 2011 (\$5,000).

Lincoln University Research Fund (LURF), 2011: 'Māori networks through the Otautahi 'quakes: Their role and future prospects', (\$16,300). Primary investigator.

Ngā Pae o Te Māramatanga (Contract 09RF10), 2008: 'The Restitution of Marae and Communities through Mahinga Kai: Building the Management of Māori Customary Fisheries.' (\$60,000, with Hugh Campbell and Phillipa Pehi, University of Otago). Co-investigator.

Other Projects

People and pīngao: Weaving the Connections. Vision Mātauranga Capability Funding (\$75,000), Ministry of Business, Innovation and Employment. (Associate researcher).

Evidencing the link between ecosystem services and New Zealand wellbeing (2013) Department of Conservation (Contract No. 4446).

Employment

- 2013- **Senior Lecturer**, Māori Environmental Planning and Development, Faculty of Environment, Society, and Design Division, Lincoln University.
- 2011-13 **Lecturer**, Māori Environmental Planning and Development, Faculty of Environment, Society, and Design Division, Lincoln University.
- 2008-10 **Lead Researcher**, Agribusiness & Economics Research Unit, Lincoln University (FRST contract CONC-13190-SET-LIN). I led one of two research objectives investigating innovation in New Zealand. Duties included liaising with end-users and case studies, reviewing the relevant literature, collaborating on research design, managing and undertaking field work including interviews, analysing data, and publishing reports, journal and popular press articles, and managing the programme's website.
- 2009- **Māori Doctoral Support Programme Co-ordinator** (MAI ki Ōtautahi-Lincoln). Coordination of academic and pastoral support for Lincoln Māori doctoral students.
- 2007- 08 **Post-doctoral Fellow**, LandCare Research/Manaaki Whenua Ltd. Involved researching a range of issues concerning environmental management, cultural and social sustainability, mātauranga Māori and broader Māori economic development.
Researcher, Te Mahinga Kai Project, Centre for the Study of Agriculture, Food and the Environment, University of Otago. Engaged in collaborative research with Māori communities and other researchers on water quality and freshwater/coastal customary fisheries, including and aspects of area management tools that contribute to the ongoing cultural resilience of the supporting communities.
- 2006 - 07 **Māori Doctoral Support Programme Co-ordinator**, Te Tapuae o Rehua Inc.
Māori Postgraduate Advisor, Cultural Support Team, University of Canterbury. These two positions required me to proactively put in place academic and pastoral support Māori postgraduates.
- 2003/04/07 **Contract Lecturer**, MEPD, Lincoln University.
- 2003 - 04 **Contract Lecturer**, Continuing Education, Canterbury University.
- 2002 **Course coordinator and Lecturer**, Geography Department, Canterbury University.
- 2001 **Teaching Fellow**. Geography Department, Canterbury University.
- 2000 **Teaching Assistant**. Geography Department, Canterbury University.

Scholarships/Awards

- 2011 MANU Ao Academy Leadership Course
2008 Te Amorangi (National Māori Academic Excellence Award)
2007 Te Tipu Pūtaiao Fellowship (FRST)
2005 Māori and Indigenous (MAI) Doctoral stipend
2004 Presentation Award, Lincoln Post-graduate Conference, Lincoln University, June 28th-29th.
2003 Lincoln Doctoral Scholarship
Centre of Research Excellence doctoral funding
2001 Canterbury Masters Scholarship
Ministry of Foreign Affairs and Trade Research Award.
Presentation Award, Joint Conference of the NZGS and IAG, 2001 Dunedin.

Memberships and Professional Association

- | | |
|---|--|
| Citizen Science Association | Māori Association of Social Scientists |
| Research Associate, Bioprotection Research Centre | NZ Geographical Society |
| Australia and NZ Mental Health Association | NZ Association of Impact Assessment |
| Native American and Indigenous Studies Assoc. | |

University and Community roles

- 2014 Tumuaki, Te Whanake Kaūpapa Maori Unit, Faculty of Environment, Society, and Design.
2013- Chair, Te Kāreti o Waihora Whānau Roopu, (Ellesmere College Whānau Committee).
2013- Faculty Teaching Committee.
2012-2014 Lincoln Human Ethics Committee.
2013 Theme leader Council for Australasian University Tourism and Hospitality Education (CAUTHE) 2013 conference.
2012 Chair organising committee, Maori and Indigenous Doctoral Conference, Lincoln University, November 30th - December 2nd, 2012.
2004 - Committee member for National Māori Vegetable Growers Collective/Tahuri Whenua Inc. Soc.
2011/12 Conference Abstract Committee and Proceedings Editorial Board for 2012 International Indigenous Development Research Conference, Ngā Pae o te Māramatanga, Auckland, June 27–30 2012.
2011 Ngā Pae o te Māramatanga Publication Support Grant panel.
2006 MAI Doctoral Conference organising committee, Ōnuku.
2005 Lincoln University Students' Association Post-graduate Officer.
2005 Lincoln University Post-graduate Conference organising committee.

Supervision, Mentoring and Examination

- Annalise Davis dissertation: Indigenous Water Management.
- Ivy Harper (Ph.D. registered): Rethinking the scope and nature of development: Navigating the Takutai Moana Act (2011) and Maori Development. Associate Supervisor.
- Dean Walker (Ph.D. registered): 'Toitu te whenua, matatu ana te wao: Cultural Health Monitoring and Assessment Techniques for Indigenous New Zealand Forests'. Associate supervisor.
- Tamai Williams (Masters dissertation, 2013)). Title: Biculturalism in Southland: Identification perspectives of post-urban. Maori/Pakeha Southlanders/No ngā kākano e rua o Murihiku (Associate supervisor).
- Julie Abbari, Master of Geography, University of Canterbury (2013). Title: 'Defending Starlight as a Cultural Resource: the use of Environmental Legislation in Aotearoa/New Zealand'. Examiner.
- Hauaru Tamati Rae, Master of Planning (2013), 'Kia tahuri I te riu, kia tika: Indigenous Participation in Earthquake Recovery Planning: Insights from Taiwan and Canterbury', University of Otago. (External examiner).

- Ian Challenger, Masters of Resource Studies (2013): Te Poutama Māori: Transferring a sustainability programme to indigenous peoples. Supervisor (Grade = A).
- Maiki Andersen, Masters: Is there a significant difference between Māori and non-Māori values towards the preservation and protection of water resources? Associate supervisor (Grade = A).
- Karyn Anderson, Ngā Pae o te Māramatanga Summer Scholarship (2011-12): Researching the Otautahi Earthquake. Supervisor.
- Cynthia Pryor. Masters thesis (2013). Title: 'Assessing Conservation of Threatened Species in New Zealand: legislation and management,' Masters of Indigenous Studies at Te Whare Wānanga o Awanuiarangi (External examiner).
- Lauren Sinreich (2009), Master of Environmental Studies, School of Geography, Environment and Earth Sciences, Victoria University (Wellington). Title: 'Forests for Participatory Democracy: Emergent Patterns in the Interaction of Actors and Space in a Community-Based Sustainable Forestry Project in San Francisco Libre, Nicaragua'. External Examiner.
- Ormsby, Wayne T. (2008). Masters: A customary right or wrong? : a study of the effects of the Kaimoana Customary Fishing Regulations on hapu of Ngāti Kahungunu. Examiner.

Presentations and Professional Activities

Upcoming

2015

Citizen Science Conference, Speed Talk: 'Indigenous People and Citizen Science', February 11th-12th, San Jose.

Risk Interpretation and Analysis-Indigenous Knowledge Workshop, January 26th-30th, University of Florida, Gainesville.

2014

International Indigenous Research and Development Conference, Auckland University, Ngā Pae o te Māramatanga, November 25-28, 2014.

Sociological Association of Aotearoa New Zealand annual conference, panel presenter: "The social impact of the Canterbury earthquakes." Christchurch, Christchurch Polytechnic and Institute of Technology, November 10-12, 2014

12th Biennial Australian and New Zealand Third Sector Research Conference: "Resilience, Change and the Third Sector", 18-20 November 2014, Otautahi/ Christchurch. 'Indigenous communities, disasters, and disaster research: surviving disaster research on, with, and by Maori.'

Webinar for IRDR RIA Indigenous theme: Indigenous Urban Disasters: the experience of Maori in the Canterbury earthquakes 2010-2012. October 31st, 2014: <http://ufifas.adobeconnect.com/p36j8ej7ntx/>

Presentation to 'Alright?' Community Mental Health providers. Travis Wetlands Education Centre, October 30th, 2014.

'Tangata Whairoa: Geographies of care post-disaster.' Presentation to HRC Hui Whakapiripiri, July 9th-10th, 2014, Waipuna Hotel and Conference Centre, Auckland.

'Integrating Indigenous Knowledge into Decision and Policy-making for Disaster Risk Reduction'. Presentation to the 2nd IRDR Conference: Integrated Disaster Risk Science: A Tool for Sustainability, Beijing, China, 7-9 June, 2014.

'Post-disaster support for Indigenous mental health communities: Maori and the Christchurch earthquakes.' Presentation to NAISA, May 29th -31st, Austin, 2014.

Lecture and Public Seminar, School of Economics and Finance, Victoria University, Wellington, April 9th and 11th 2014.

Guest lecture to Nara Women's University, Japan, March 26th. (Title: Maori and the Otautahi/Christchurch Earthquakes).

Presentation to New Zealand Maori Council, Paihia, February 5th, 2014.

Guest lecture to Kellogg's Rural Leadership Programme, January 24th. (Title: The Post-Settlement Era).

2013

Speech to Ara Mai He Tētēkura – Visioning our futures: New and Emerging Māori Academic Leadership Symposium, 29th November, 2013, Te Whare Waka, Wellington.

Seminar to the NZ Geographical Society (Canterbury branch): 'The search for well-being: tangata whaiora and the post-disaster landscape of support.' Department of Geography, University of Canterbury, November 6th, 2013.

Panel discussant: Researchers' Experiences with Open Access, International Open Access Week, Lincoln University, October 23rd, 2013.

Indigenous geography of urban disaster: Maori response(s) to the Christchurch earthquakes. Presentation to the Regional Conference of the International Geographical Union, 'Traditional Wisdom and Modern Knowledge for the Earth's Future', August 4-9, 2013, Kyoto, Japan.

Indigenous responses to hazards and disaster: risk, recovery, and resilience. Panel chaired at Regional Conference of the International Geographical Union, 'Traditional Wisdom and Modern Knowledge for the Earth's Future', August 4-9, 2013, Kyoto, Japan.

Speech to International Students Orientation: 'Adapting to life in New Zealand', July 4th, 2013, Lincoln University.

Small-scale Maori horticulture: sustainability and the nexus between introduced crops and traditional lands. Presentation to NAISA 2013, University of Saskatchewan, Saskatoon, June 12-15, 2013.

Indigenous Insights on Disaster and Emergency Management. Paper presented to the Australian & New Zealand Disaster and Emergency Management Conference, Brisbane, 29th - 31st May 2013.

Keynote to UN Global Platform for Disaster Risk Reduction Conference: 'Engaging Indigenous Peoples in Disaster Risk Reduction', Geneva, May 20-24, 2013.

Presentation, Te Awa o te Ora Symposium. TATO facilities, Tuam Street, March 21st, 2013.

Public address, Ngā Kete e Toru seminar: 'The impacts of the earthquakes on Maori', March 20th, 2013.

2012

Theme leader (Indigenous Tourism), 23rd Council for Australasian University Tourism and Hospitality Education (CAUTHE) Conference. Lincoln University 11-14 February, 2012.

Seminar presented to Kellogg Rural Leaders Programme 2013 Phase 1.

'Indigenous responses to urban disaster: Maori mobility after the Canterbury earthquakes'. Paper presented to NZGS conference, Napier, Dec 3-6, 2012.

Fuzzy Set QCA: a new methodology for understanding Maori resilience in the Christchurch earthquakes. Paper presentation to the Maori Association of Social Scientists Biennial Conference, University of Canterbury, Nov 28-30, 2012.

Plenary panelist, 'Whakaranga Turangawaewae, Whakaoranga Iwi Whanui: An analysis of cultural factors facilitating the recovery and resilience of Maori communities impacted by the Christchurch earthquake', Maori Association of Social Scientists Biennial Conference, University of Canterbury, Nov 28-30, 2012.

Speech to Maori and Pasifika boys at Christchurch Boys High School, October 23rd, 2012.

Community seminar: 'Maori response to the Christchurch earthquakes', Mental Health Education and Resource Centre, October 8th, 2012.

Indigenous Resilience panel presenter, 5th Biennial International Network of Indigenous Health Knowledge and Development Conference: Building Resilience: Renewing Individuals, Families and Communities. University of Queensland, St Lucia campus, Brisbane September 24-28, 2012.

Keynote speaker, UC Maori Postgraduate Symposium: Our Journey, Our Perspectives, Our Legacy..., University of Canterbury, August 31, 2012.

'Response and Recovery by Māori to the Christchurch Earthquakes.' Workshop presentation, 6th Australasian Emergency Management Conference, University of Canterbury, August 20-22, 2012.

Panel chair and organiser: Indigenous geography of disaster. International Indigenous Development Research Conference, Auckland University/Ngā Pae o te Māramatanga in Auckland, June 27–30, 2012.

Faculty Seminar: fsQCA approaches to research. Auckland University of Technology, June 27th, 2012.

Lambert, S. Innovation, the Maori economy, and Maori: a flat or lumpy world? Paper presented to the International Indigenous Development Research Conference, Auckland University, June 27-30, 2012.

Matariki Seminar/Webinar Statistics New Zealand, June 26th 2012: Māori through the Ahuwhenua Trophy, the 'Maori economy', and the Canterbury earthquakes: Endurance or Resilience?

Collegial support and hosting for National Science Foundation Geography and Spatial Sciences Grant: Ecosystem resilience to human impacts: ecological consequences of early human-set fires in New Zealand. (NSF Award 1024413).

Native American and Indigenous Studies Association (NAISA) Conference, Mohegan Sun, Uncasville, Connecticut, June 3-6, 2012. Paper title: 'Indigenous resilience to urban disaster: Maori and the 2010/11 Christchurch earthquakes.'

2011

The socio-technical networks of technology users who innovate. Presentation to the Conference on Invention, Innovation and Commercialisation, June 13-14, 2011, Sudima Hotel, Christchurch, New Zealand
<http://hdl.handle.net/10182/3798>

Panel presentation and discussion: Indigenous Economies. 4th Annual Meeting of the Native American and Indigenous Scholars Association (Hyatt Regency, 19-22 May 2011).

Presented nation-wide video seminar through MANU Ao network, March 23rd, 2011 ('Sons of Soil': A history of Māori farming through the Ahuwhenua).

Consulted on Waikato-Tainui research strategy, Hamilton, February 21st – 22nd 2011.

Re-indigenising Humanity: a pan-Indigenous project of great importance and massive difficulty. Presentation to Sharing Power Conference, Liberty Centre, Whakatane, January 11th – 15th, 2011.

2010

The Ahuwhenua Trophy: A window and change agent for Māori farming. Paper presented to the Federation of Māori Authorities Conference and AGM, Copthorne Hotel, Waitangi, November 5th – 7th, 2010.

MAI Doctoral Conference pre-conference panel 'After the PhD', October 17th – 20th, Te Herenga Waka marae, Victoria University, 2010 (Invited panellist).

A Competitive Advantage for Māori through New Zealand Halal Branding. Paper presented to Whenua: Sustainable Futures with Māori Land Conference, Distinction Hotel, Rotorua, July 21st – 23rd, 2010.

http://www.whenuaconference.co.nz/images/custom/lambert_s.pdf

Re-indigenising Humanity. Lambert, S., Ogilvie, S., Shadbolt, M., Ataria, J., Viers, J., Jacobsen, B., Crawford, S., Longboat, D. Paper presented to the NZ Geographical Society Conference (Indigenous Session), Christchurch, July 5th- 8th, 2010.

Presentation to Te Huinga/National Māori Students Conference: Contemporary Māori Geography. Lincoln University, September 3rd - 6th, 2009, Lincoln.

2008-2001

Genesis of Māori Taura Support. Presentation to Te Toi Taura mo te Matariki Wananga-a-tau, Copthorne Hotel Waitangi, Aotearoa, 3-5th October, 2007.

Traditional Foods for Modernity's Shelves: A Fuzzy Set/Qualitative Comparative Analysis of the Participation of Māori Growers in Modern Agri-Food Network Paper presented to the 2006 Annual Meeting of the Agri-Food Research Network, November 27-30, Otago University, Dunedin.

Māori Writing Retreats: Advancing Support for Māori Post Graduates, Paper presented to the Association of Tertiary Learner Advisors Aotearoa/New Zealand Conference 2006, Anchoring our practice: perspectives, partnerships, projections, November 20-24, Tauranga, Bay of Plenty Polytechnic.

The Diffusion of Sustainable Technologies to Māori Land: A Case Study of Participation by Māori in Agri-Food Networks Paper presented to the MAI Doctoral Conference, Ōrākei, October 26-28, Auckland.

Panelist for “Māori Postgraduate Support: Navigating and Negotiating Postgraduate Study” Te Toi Tauira mo te Matariki 2006, Christchurch Polytechnic and Institute of Technology, September 27-29th, 2006.

Emergent Māori Horticulture and Sustainable Development: A ‘System of Provision’ Analysis. Presentation to the MAI Doctoral Conference 27th - 29th October, 2005. Onuku Marae, Akaroa, Canterbury.

Co-convenor of Post Graduate Workshop “International Students’ Issues and the Domestic Fees for International PhDs policy”, NZ Students Association Conference, Sept. 30th- Oct. 1st, 2005, Canterbury College of Education.

Technology Transfer and Indigenous Peoples: The Diffusion of Advanced Biotechnologies and Māori Horticulture. Paper presented at the Indigenous Knowledges Conference, Pipitea Campus, Victoria University, June 22-25, 2005.

Presentation to the Māori Liaison Officer’s Hui-a-tau, Christchurch Polytechnic and Institute of Technology, April 1st, 2005.

Presentation to Lincoln University Māori students Māori and Indigenous (MAI) Doctoral Support programme, Te Whare Kotahitanga, Lincoln University, September 23rd, 2005.

The ‘Place of Place’: Geographical Indicators in Contemporary Māori Development. Paper presented to Te Ohu Whenua Hui a Tau, Massey University, July 8th- 9th; Published in Hurley, E., 2004 Proceedings of Te Ohu Whenua Hui A Tau, pp. 75-80.

Indigenous Research Ethics and Agro-ecological Development: Raising the IRE in Biotechnology Transfer. Paper presented to the Mātauranga Tuku Iho Tikanga Rangahau/Traditional Knowledge and Research Ethics Conference, Te Papa, June 10th-12th, 2004.

MAI Doctoral Support programme, presentation of preliminary PhD research, August 21st, 2004, Christchurch Polytechnic and Institute of Technology.

Presentation to Lincoln Post-graduate Conference: ‘Māori Horticulture and the Innovation, Diffusion and Transformation of Crop Protection Technologies’, Lincoln University, June 28th- 29th, 2004.

Paper presented to Ecopolitics XIII Conference: ‘After New York: implications for a Fijian eco-tourist venture’, University of Canterbury, Christchurch, Nov 29th - Dec 1st, 2001.

‘Pacific Island Professional Rugby Players: Rucking the National Identity?’ Presentation to the Joint Conference of the NZGS and IAG, Jan 29th - Feb 2nd 2001 Dunedin, New Zealand.

Community Involvement

In 2004 I was elected to the committee of the National Vegetable Growers Collective (a.k.a. Tahuri Whenua), a pan-iwi group advocating for small-scale Māori horticulturalists that has coalesced around research at Massey University on traditional varieties of Māori potatoes. I am still a serving committee member and have edited the society’s newsletter in the past. I have been a member of the MAI (Māori and Indigenous) Doctoral Support programme, established by Ngā Pae o te Māramatanga (Auckland University) since 2004, and coordinated the Canterbury site (which included the Universities of Canterbury and Lincoln, as well as the Christchurch Polytechnic). I have now helped establish a new group at Lincoln University. The opportunities these networks provide have introduced me to a variety of Māori researchers, community leaders, and students who comprise a ‘community of practice’ and has been invaluable in my own research.

In 2005 I was elected Postgraduate Officer to the Lincoln University Students Association. In this role I advocated for post graduates on several issues, notably supervision, intellectual property, and social events with regular committee duties. I presented regular book reviews and commentary on student radio at Lincoln, an interest I first established at Canterbury University, and contributed articles and reviews to the student newspaper. I now find myself working in broader networks of Māori student support staff with other staff at Lincoln, including helping on the recent Māori in Science Day' and 'Careers Day' on campus.

I also find myself increasingly involved in the gamut of fund-raising, sporting, cultural and other activities that support my children's learning and socializing and am currently Chair of the Ellesmere College Whānau Committee.

Current Research and Professional Interests

My research has focused on four main areas. The first is Māori socio-ecological resilience and sustainability discourse, based on my empirical studies on customary fisheries, horticulture, and agribusiness to better understand how development exposes conflict and cooperation between disparate actors and institutions. Second, and related to the first field, I am exploring issues of Indigenous cultural political economy and aiming to make substantial contributions to this discourse by articulating unique Indigenous perspectives. Third, I expanded my research into innovation diffusion through a two year study of end-user inventors and innovators in the farming, building and energy sectors. Finally, I have begun several projects related to the earthquakes that struck Canterbury 2010-12, notably the response and recovery of Maori mental health networks to the disaster.

From my personal experiences and networks I have developed a strong interest in the support and mentoring of Māori students. Having been exposed to many different styles and several disciplines, and I am particularly well positioned to 'cherry-pick' the most successful techniques. My teaching role is being utilised in many informal ways among the Māori communities in which I work and is something I envisage as being integral to my ongoing professional development.
